MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Fort Hamilton University

1. Our semi-annual training event, Fort Hamilton University, will be held on 21, 22, and 24 October 2013. This initiative recognizes the need to allow individuals to enhance their strengths and overcome their limitations. It demonstrates the commitment of Fort Hamilton to assist our workforce in continuing to develop into Army civilians that create success individually, for their teams, Fort Hamilton, and the Army.
2. Based on your feedback and leadership assessment, we will continue to use this concentrated event to meet Department of Army directed mandatory training requirements and enhance your professional development, while minimizing work distracters. The instruction provided addresses our individual and collective safety and security, our evaluation performance, and resiliency. These are all very important during times of adversity and will enhance your individual commitment to the work you do every day.
3. I highly endorse this event and encourage each and every one of you to participate. This is the time to step away from your desks and join your colleagues for an enlightening day of information and reflection. I look forward to seeing you there!
